

2011 North Valley District Pinewood Derby

ADDENDUM 1.0 to 2011 Rules

- Use of “skins” for car decoration/design is legal. However if the “skin” prohibits a judge from viewing or examining a derby car (example: axels covered or other physical characteristics are questioned) then the car will be considered ineligible for the district race.

- All judges decisions will be final and without question. Our goal, as with your scout’s goal too, is to run a fair and competitive race that upholds the Scouting Values and Mission.
